9. Detailed description of positions held

Chairman (Minister of State), Tax Administration Reform Commission (TARC), Government of India (August 2013 – February 2015)

The first government effort at the level of a full Commission for the reform of tax administration. Six Commission Members were drawn from high-level experience from government and private sectors. Involved intensive travel, consultation and report writing. Report of the Tax Administration Reform Commission, Ministry of Finance, New Delhi. Four reports comprised 15 chapters together with two additional volumes on Executive Summary, and List of Recommendations and Feedback from the field. Report was discussed intensively at global and domestic levels.

Adviser (Minister of State) to Finance Minister, Government of India, New Delhi (January 2013 – May 2014)

Chairman, Forum, constituted by the Minister of Finance for exchange of views between industry and Government on technical tax related issues, applications and disputes. Other responsibilities described further below.

Director and Chief Executive, Indian Council for Research on International Economic Relations (ICRIER), New Delhi (January 2011 – December 2012)

Responsibilities included:

Head and conduct research projects leading to publications in Cambridge University Press, Orient Blackswan, Springer and others. (One project funded by Prosperity Fund, Foreign Office, Her Majesty's Government, United Kingdom).

Participate in domestic and international conferences.

General administration and management, reporting to Governing Body, writing Annual Report of organisation.

Additional activities during tenure:

Chairman, Expert Committee on General Anti-Avoidance Rules (GAAR), Government of India, New Delhi (July-October 2012).

Member, Advisory Group on G20 to Finance Minister, Government of India, New Delhi (July 2012 – May 2014).

Member, Working Group on Technology and Value Addition for Twelfth Five Year Plan, Planning Commission, Government of India, New Delhi (2012-17).

Member, Board of Management, Energy and Resources Institute (TERI) University, New Delhi (2013-16).

Chief Economist (SCS 2), HM Revenue and Customs (HMRC), UK (January 2008 – January 2011)

Responsibilities included:

Accountable for quality assurance in HMRC's analytical work and Impact Assessment documents for tax measures in U.K. Budget. Champion the use of economics in HMRC policy analysis and administrative decision-making.

Member, U.K. Chancellor's Business Tax Forum, chaired by the Financial Secretary (Minister for HMRC), that interacted with multinational companies' CFO's on tax policy interests.

Member, Board of Government Chief Economists to discuss and ensure the use of economics in Government policy making.

Member, Panel of HMRC International Academic Tax Expertise on Business (members being professors of taxation from Australia, Europe, U.K. and U.S.).

Visit HMRC field offices to align bespoke analytical needs from tax administrators to Knowledge, Analysis and Intelligence (KAI), HMRC's research directorate.

Discuss findings and conclusions with Permanent Secretary, HMRC, and recommend change.

Interface with external tax professionals and academia on developments in taxation practice and research.

Organised first HMRC International Conference on Institutional Taxation Analysis with 200 delegates from 15 international tax administrations, academia and the tax profession, September 21-22, 2009.

Chairman, Evaluation Forum, HMRC, that decided on strategy and selection of Budget tax measures for ex-post evaluation.

Chairman, Value Added Tax (VAT) Governance Committee, HMRC, that assessed modifications to estimation procedure for the VAT Gap.

Chair selected Star Chamber meetings on joint HM Treasury and HMRC discussions for proposed Budget measures.

Adviser (Secretary) to Finance Minister, Government of India, New Delhi (October 2004 – January 2008)

Responsibilities included:

Advise and formulate tax proposals for the 2005-06, 2006-07, and 2007-08 Union Budgets of the Central Government, through discussions with Finance Minister (FM) and Prime Minister (PM) on tax policy, tax administration and computerization, on the basis of research and consultations with stakeholders.

Permanent Invitee, Empowered Committee – Value Added Tax (EC-VAT) of State Finance Ministers, India.

Co-convenor and author of the December 2007 Working Group Report on Goods and Services Tax (GST), recognized as the first government-level report on Indian GST.

Chairman, Empowered Committee for Computerization of Income Tax Department and Excise & Customs Department of the Department of Revenue (DoR), which reported directly to FM with Information Technology (IT) solutions and recommendations to implement.

Permanent Invitee to DoR in PM's Trade & Economic Relations Committee (TERC) chaired by PM. Also attended selected Empowered Groups of Ministers (EGoMs and GoMs), as well as meetings of Deputy Chairman, Planning Commission, Committee of Secretaries, and Principal Secretary to PM at FM's directions, for example, for Special Economic Zones, Petrochemicals, Biofuels, IT Hardware, Delhi Metro, and others.

Attended FM's meetings with Chief Commissioners of both Central Board of Direct Taxes (CBDT) and Central Board of Excise and Customs (CBEC) on revenue collection and strategies. Followed revenue collection trends, visited tax offices all over India regularly on targeted tax administration matters, such as large taxpayer units (LTU's), electronic filing, strategies to reduce tax evasion, utilization of third-party

information for scrutiny purposes, tax preparers' scheme and others, for discussion with Chief

Commissioners and staff.

Reviewed DoR files relating to tax policy matters including excise, customs, service tax, income tax, VAT/GST and tax administration policy, including computerization, and Double Taxation Avoidance Agreements (DTAA's). Helped develop econometric approach for tax revenue projections for the Union Budget. Advanced analytical techniques for Union Budget documents such as addenda on revenue expenditure and effective tax rates.

Represented Union Ministry of Finance (MoF) at the EC-VAT for the phase-out Programme for the Central Sales Tax (CST) on inter-state trade.

Headed MoF delegations to OECD Conference of the Forum for Tax Administration to Seoul, Korea, in September 2006, and to Brazil on the use of Information Technology for DoR in March 2007.

Represented MoF in EC (VAT) delegation on VAT to Brazil and UK in August 2007.
